## ELECTRICAL FEE SHEET

\* Attention applicant you are responsible for filling out this application correctly. If you have any questions concerning what category your work falls under, please see an inspector or processor for your trade. Refunds will not be given in case of error on your part and you may be charged four times your permit fee for doing work without a permit. The minimum fee for electrical is \$79.00.

Under penalties of perjury, I declare that to the best of my knowledge, the facts stated in this document are true. I understand that perjury is a felony in the third degree.
