3. NO MORE THAN 1/3 OF THE SEAGRAPE OR OTHER DUNE VEGETATION MAY BE REMOVED DURING ANY TRIMMING EVENT UNLESS SPECIFICALLY AUTHORIZED BY THE TOWN OF JUNO BEACH OR OTHER AGENCY.
4. SEAGRAPE CLIPPINGS MUST BE LEFT IN PLACE TO RESTORE NUTRIENTS TO THE SOD. CLIPPINGS MAY BE CHIPPED OR MULCHED.
5. FOLLOWING EACH TRIMMING, CALL 561/627-0818 FOR FOLLOW-UP INSPECTION.

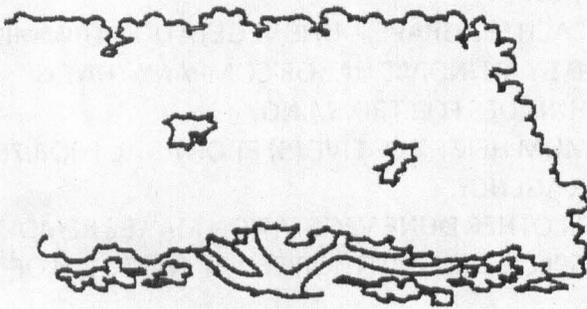

SEAGRAPE/DUNE VEGETATION TRIMMING PROCEDURES

Seagrasses/vegetation may be maintained to a minimum height of five (5) feet in height or as authorized by the Town of Juno Beach. No more than 1/3 of the plant may be removed during any trimming event.

A Seagrape/Dune Vegetation Trimming Permit is required for each trimming event and must be performed by an individual or company that is knowledgeable of the property techniques for trimming.

Clippings must be left in place to restore nutrients to the sod. Clippings may be chipped or mulched.
