Help The Juno Beach Police Fight Crime In Your Neighborhood...Start A Neighborhood Watch

The *Juno Beach Police Department* wants to remind everyone, that no one knows your neighborhood better than the people who live there, and no one wants to protect it more than you do -except the Police Officers of the Juno Beach Police Department. With teamwork between the residents and the Juno Beach Police Department, the emphasis can be on stopping crime before it happens.

There is a lot you can do to keep your neighborhood safe. For example:

Get to know your neighbors,

Call the Juno Beach Police when;

- You see someone looking into windows and parked cars.
- You hear unusual noises.
- You see property being taken out of houses where no one is at home.
- You see cars, vans, or trucks moving slowly with no apparent destination, or without lights.
- You see a stranger sitting in a car or stopping to talk to a child.
- You see an abandoned car.
- You hear someone screaming or shouting for help.

Don't wait for someone else to take the lead. Everyone in the community shares the responsibility for making your community safe. Report these incidents to the police and become a partner against crime!
