As requested at the previous LAC meeting, members were invited either to attend today's meeting in person or to submit their editing recommendations by email. We received such emails from Roger Buckwalter, Bruce Franson, DD Halpern, and Matt Pazanski.

At the meeting, those present discussed all submitted recommendations as well as those of the three members in attendance. We very largely agreed on changes to make. Jim was tasked with creating an amended document and submitting it to the members at the next meeting on June 3rd.
