Dedication Discussion

Sign Placement Discussion

The Committee discussed sign placement at Town Hall Park and agreed to propose that the signs be placed close to the Ocean Drive sidewalk so they were easier for people to see. The Committee also proposed the Old Town Hall sign be placed on the right and the Celestial Railroad sign placed on the left. The Committee agreed that these proposals would be presented to Town staff to review for any concerns or issues.

The Committee agreed with the placement of the Pier sign on Mercury Road.

The Committee discussed the dedication and set a tentative date of Wednesday November 13, 2019, to ensure all the donors would be able to attend. The Committee decided a program/invitation should be created with pictures of all three plaques and the donor's names.

All of the above items would be presented to the Town Council at their meeting on October 23.

The Committee decided to schedule a sub committee meeting for Tuesday, October 29, 2019 to review the program/invitation and plan the details of the dedication ceremony.

Committee discussed a hiatus until the new year.
