3. REVIEW/EDIT LANGUAGE FOR INTERPRETIVE SIGNS

Committee Member Ferguson provided an update on the current language that the committee would be reviewing for the signs and stated that after this meeting he would like to take the draft to Debi Murray, at the Historical Society of Palm Beach County, for editing.

Committee Member Pazanski stated that he would like to discuss a timeline for the signs as well and stated that he would like to see the committee have all of the changes and fact checks completed within a few weeks so the signs could be sent to Nancy Pobiak to produce a first draft of the interpretive signs to present to the Town Council, for their approval, at the December 9th Council Meeting.

The committee reviewed the language for each interpretive sign and discussed the recommended changes proposed by the committee members.

The committee agreed to forward the language for review as proposed to Debi Murray at the Historical Society of Palm Beach County, to the Loggerhead Marinelife Center, and Larry Woods, who worked with Eleanor Fletcher for many years.
