Please address (in written form) the criteria listed below (items 1-15):

While considering a rezoning or Comprehensive Zoning Ordinance amendment petition, the Town Council/Planning and Zoning Board shall consider the following limitations on amendments:

- a. The Planning and Zoning Board shall not recommend, nor the Town Council pass, any amendment except on substantial proof that it is in accord with the Comprehensive Plan and sound zoning practice, and will serve to promote the purposes of zoning as provided by State law;
- b. No amendment to rezone property shall contain conditions, limitations, or requirements not applicable to all other property in the district to which the particular property is rezoned;
- c. Except where the proposal for the rezoning of property involves an extension of an existing use boundary, no change in the zoning classification of land shall be considered which involves less than forty thousand (40,000) square feet of area and two hundred feet of street frontage unless otherwise provided for herein;
- d. If the recommendation of the Planning and Zoning Board is adverse to any proposed change, such change shall not become effective except by the affirmative vote of a majority of the entire membership of the Town Council;
- e. Whenever the Town Council has changed the zoning classification of property, the Town Council shall not then accept or consider a petition for rezoning of all or any part of the same property for a period of one year from the effective date of the amendment changing the zoning classification;
- f. Whenever the Town Council has denied a petition for rezoning of property, the Town Council shall not thereafter:
  1. Accept or consider any further petition for substantially the same rezoning of all or part of the same property for a period of eighteen (18) months from the date of such denial; or
  2. Accept or consider any petition for any other kind of rezoning on all or any part of the same property for a period of one (1) year from the date of such action;
